

An Evening with **DR. TEMPLE GRANDIN**

*Author, Professor, Scientist, Activist
Autism Spokesperson*

Spark! Community Center invites you to a very special Virtual Event on Zoom with esteemed guest Dr. Temple Grandin. Hear her story of how she achieved national acclaim and became an advocate for animals and people with autism. Meet the woman who used her own “different thinking” as a professional with autism to prove to the world that, “Different thinking is where progress and invention and discoveries lie.” Enjoy a deeply interactive and thoughtful discussion and become inspired.

When? Friday, February 26th at 6:00 pm

Where? Zoom hosted by CATV

Don't have a Cow!
